(B). Claims Secured by Real Property Which Debtor Intends to Retain. Debtor will make all post-petition mortgage payments directly to each mortgage creditor as those payments ordinarily come due. These regular monthly mortgage payments, which may be adjusted up or down as provided for under the loan documents, are due beginning the first due date after the case is filed and continuing each month thereafter, unless this Plan provides otherwise. Trustee may pay each allowed arrearage claim at the monthly rate indicated below until paid in full. Trustee will pay interest on the mortgage arrearage if the creditor requests interest, unless an objection to the claim is filed and an order is entered disallowing the requested interest.

Upon Plan confirmation, the automatic stay will be deemed lifted for the collateral identified below for surrender and the creditor need not file a Motion to Lift the Stay in order to repossess, foreclose upon or sell the collateral. Nothing herein is intended to lift any applicable co-Debtor stay, or to abrogate Debtor's state law contract rights.

10. Other Provisions:

- (A). Special classes of unsecured claims.
- (B). Other direct payments to creditors.
- (C). Other allowed secured claims: A proof of claim which is filed and allowed as a secured claim, but is not treated specifically under the plan, shall be funded with 3.25 % interest as funds become available after satisfaction of the allowed secured claims which have been treated by the plan and prior to payment of allowed non-administrative priority claims (except domestic support obligation claims as set forth in paragraph 5(A), above) and general unsecured claims. Notwithstanding the foregoing, the Debtor or any other party in interest may object to the allowance of the claim.
- (D). Claims subject to lien avoidance pursuant to 11 U.S.C. §522(f): The allowed secured claim of each creditor listed below shall not be funded until all allowed, secured claims which are being treated by the plan are satisfied. If an order is entered avoiding the creditor's lien, that creditor's claim shall be treated as a general, unsecured claim to the extent it is not otherwise secured by property of the estate and treated by the plan. To the extent that the creditor's lien is not avoided and is not otherwise treated by the plan, the secured claim shall be funded as set forth in the above paragraph. This paragraph shall apply to the following creditors:
- (E). Other provisions.
- 1. Payments distributed by the Trustee on any particular class of claims are subject to the availability of funds.
